Amazon calculates a product's star ratings based on a machine learned model instead of a raw data average. The model takes into account factors including the age of a rating, whether the ratings are from verified purchasers, and factors that establish reviewer trustworthiness. See All Buying Options Add to Wish List Disabling it will result in some disabled or missing features. You can still see all customer reviews for the product. However it used it one time purpose Reviewed in the United States on January 10, 2015 It was very used, and I think a bit pricey for its age. Wire were terrible. However it used it one time purpose. Please try again later. Mary Sue Meads 3.0 out of 5 stars Wire were terrible. However it used it one time purpose. Please try again later. Please try again later. Jerry Weeks 5.0 out of 5 stars Please try again later. Please try again later. Please try again later. Please try again later. I do not consider that in very good shape. Please try again later. Please try again later. Dustbunny 5.0 out of 5 stars Does a good job projecting films onto surface. Im very happy with it. Delivery quick and seller a breeze to deal with!!! Please try again later. Please try again later. K Mc 3.0 out of 5 stars We did not want to spend a lot of money and I did find cheaper ones than the one we bought. I decided to go with this one because of prior customer reviews. They were very good reviews re this sellers customer service. When there are problems which can happen

often, he resolved them well. Our projector arrived broken and slightly damaged and the seller was responsive and fairly prompt about refunding us our money and shipping costs. Please try again later. Please try again later. When the projector came in, evidently something had gotten jostled during shipping and it wouldn't stay on for more than 8 minutes at a time. I immediately wrote Sam who gave me suggestions to check and was willing to replace the projector no questions asked!!! Great

product! <http://crigroups.com/home/content/45/11775545/html/admin/uploadsxxx/comando-manuale-inglese.xml>

Amazing Service!!! I would never hesitate to buy from them again. Please try again later. Please try again later. Jimulik S. 1.0 out of 5 stars Please try again later. Please try again later. Shirley 5.0 out of 5 stars Vendor called me as soon as I placed the order and said he didn't have the exact model I had ordered, but was willing to substitute with an upgraded model for the same price. Packing of item was excellent and my granddaughter is delighted with it. Thank you, Sam, for a most appreciated professional transaction. Would certainly do business again. Shirley Brundridge Please try again later. Please try again later. Bernie Naiman 2.0 out of 5 stars Please try again later. Please try again later. See pictures of the actual item. I have powered on this unit and it functions perfectly. I made sure. more both installed lamps work. But I can't guarantee how long they will last because I don't know how much they have been used. Unit folds up to take up less space, and easier to transport. It is light weight too. It has a model number of 9000AJB on the label underneath the front of the unit. I will sell this as working, as described, and as pictured. You will get the item pictured. Local pick up is fine. Pennsylvania buyer must pay PA sales tax. No international bidders please. Tested working. Includes bulb. Warranty Working on Arrival Please contact me prior to leaving negative or neutral feedback as customer satisfaction is my priority. The cord wraps in the front. This projector is in good condition. Both of the lights work. I also have another one to sell. So if you need more than one, please let me know. Thanks for viewing my products. Has normal wear in good shape with 2 working bulbs has brand new lens so picture is scratch free. USED TESTED WORKS PERFECT The 3M 9100 overhead projector is easily portable and ready to go there is nothing to be assembled.

The body is well designed and made of a sufficiently durable grade and weight of plastic to make this model a good choice for heavy usage. Simple to use. One switch turns the projector on and off, and a separate control panel allows you to change the lamp to high or low intensity. The lamp bulb is easily changed, and the power cord can be neatly wrapped around twin brackets at the bottom front. Once the post with the projection head at its top is retracted and secured. A carrying handle on one side of the body affords sound and stable portability. This 3M model is ideal for classrooms, business meetings, and large presentations of any sort. I just tested it and lamp is working. Fan works good too. No broken glasses or lenses. I am not sure if these 2 lines will show on projected image. Sold as shown and as described. I will ship to continental USA for free. Outside CONUS, extra charges will apply. Thanks for your purchase! If an accessory or other item is not listed as being included above. It is not included. This overhead will ship with standard packaging. If you have any questions. Please feel free to ask. We check our messages frequently and will respond as soon as possible.
